FAIR USE DECLARATION

This book is sourced from another online repository and provided to you at this site under the TFIC collection. It is provided under commonly held Fair Use guidelines for individual educational or research use. We believe that the book is in the public domain and public dissemination was the intent of the original repository. We applaud and support their work wholeheartedly and only provide this version of this book at this site to make it available to even more readers. We believe that cataloging plays a big part in finding valuable books and try to facilitate that, through our TFIC group efforts. In some cases, the original sources are no longer online or are very hard to access, or marked up in or provided in Indian languages, rather than the more widely used English language. TFIC tries to address these needs too. Our intent is to aid all these repositories and digitization projects and is in no way to undercut them. For more information about our mission and our fair use guidelines, please visit our website.

Note that we provide this book and others because, to the best of our knowledge, they are in the public domain, in our jurisdiction. However, before downloading and using it, you must verify that it is legal for you, in your jurisdiction, to access and use this copy of the book. Please do not download this book in error. We may not be held responsible for any copyright or other legal violations. Placing this notice in the front of every book, serves to both alert you, and to relieve us of any responsibility.

If you are the intellectual property owner of this or any other book in our collection, please email us, if you have any objections to how we present or provide this book here, or to our providing this book at all. We shall work with you immediately.

-The TFIC Team.
